LEVEL-2 WATER RESTRICTION TIMES MODIFIED

Johannesburg Water (JW), the City's water and sanitation service provider would like to inform residents that due to the colder weather conditions, the stipulated times that **residents are not allowed to water and irrigate their gardens has changed from 6am and 6pm to 8am until 4pm every day.**

Residents are reminded that level-2 water restrictions are still in place and must be adhered to.

Level-2 water restrictions according to section 44 (3) of the Water Services Bylaw states that all consumers are forthwith compelled:

- a) Not to water and irrigate their gardens from 6am and 6pm every day;
- b) Not to fill their swimming pools with municipal water; and
- c) Not to use hosepipes to wash their cars, paved areas, etc.

JW has thus far received 119 cases to investigate for contravention of the level-2 water restrictions. Compliance Notices were issued to almost all the cases received for investigation.

Residents can obtain more information by calling Joburg Connect on 011 375 5555 or visit www.johannesburgwater.co.za.

For additional information please feel free to contact me.
